This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kind, and cannot be used in competition with the multitude of low cost, inferior imitations. Sold only in cans. ROYAL BAKING POWDER, 5, 10 and 25 lb. tins. New York, N. Y.

Mat. McCabe, of New Brunswick, Ill., offers to pay five dollars to any person troubled with bloody flux, who will take Chamberlain's Colic, Cholera and Diarrhoea Remedy according to directions and does not get well in the shortest possible time. One half of a 25 cent bottle of this remedy cured him of bloody flux, after he tried other medicines and the prescriptions of physicians without benefit. Mr. McCabe is perfectly safe in making this offer, as more than a thousand bottles of this remedy are sold each day and it has never been known to fail in any case of colic, cholera morbus, dysentery, diarrhoea or bloody flux, when the plain printed directions were followed. For sale by G. C. Thaxter.

## How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedie, Druggist.

**Cough! and Cough! and Cough!**  
What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedie, Druggist.

## Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used for children nothing. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. Twenty five cents a bottle.

## The Wrong Man.

Perhaps the local medical students who furnished the statistics regarding the ages of the patriarchs of sacred history can answer the following: How is it that Methuselah was the oldest man who ever lived, yet he died before his father?—APPEAL.

Wasn't father and son both named Methuselah? History speaks of the old man, and not of the cub.—Enterprise.

The APPEAL never expected to get anything like an intelligent answer from the Enterprise on anything approaching religious history. In the first place its question, "Wasn't father and son both named Methuselah?" is bad grammar, and in the next place Methuselah had a father whose name was Enoch.

The Bible states that Enoch did not die, but was translated, that is, accended to heaven. If the Enterprise local will borrow a Bible from somebody he will find that the above statement is absolutely correct.

The APPEAL as an authority on religious history is second to none. Only \$8 a year, invariably in advance. Now is the time to subscribe.

**SHE WILL NOT HANG.**—The decision commuting Mrs. Maybrick's sentence to death to that of imprisonment for life was based on the conflict of medical testimony as to whether the poison found in the deceased's stomach was sufficient to produce death. After a prolonged consultation between eminent lawyers and Home Secretary Matthews a unanimous decision was arrived at that Mrs. Maybrick had administered poison to her husband with intent to kill.

No further appeal, either for release from prison or for mitigation of the sentence to life imprisonment, will be entertained.

**WENT TO MEET MRS. DAVIS.**—Mr. Benson, conductor on the C. P. R. R. arrived in Carson this morning to attend to some business regarding the death of Gov. H. C. Davis who was insured for \$2,500 in the Brotherhood of Conductors. Mr. Benson left for Winnemucca last night and will return with Mrs. Davis, when she reaches Winnemucca on her way to Carson.

**FOOT RACE.**—Ben Rosenthal of Hawthorne and Thomas Barton of Mason Valley will run a hundred yard foot race at Hawthorne, on September 1st for \$500 a side. Mr. Taylor of Carson left for Mason Valley yesterday to train Mr. Barton for the race.

**THE BELLEVUE.**—Oliver Roberts of the Bellevue, is at present entertaining a large number of guests, and has no trouble in satisfying every one. With the reputation he has made for the house this year, the house will be crowded next season.

## Four Murderers Hanged.

New York, August 23.—The four murderers of women, Patrick Pakenham, Jack Lewis, (colored), Jas. Nolan and Ferdinand Carolin, were hanged in the yard of the Tombs prison this morning. There were two scaffolds, and two men were hanged on each.

After the men had taken their places on the scaffold they both grasped the hands of the priests and wrung them fervently. Then Hangman Atkinson tied a white cord about the legs of Nolan just above the ankles, and his assistant did a like service for Pakenham. In a twinkling the black caps were adjusted, and at a signal from Atkinson the bodies of both were jerked into the air. At 7:10 Nolan and Pakenham were pronounced dead, but their bodies were permitted to hang for 15 minutes longer.

After the black caps were adjusted on the other two Atkinson gave the signal and the weight fell. Instead of bounding up as Pakenham and Nolan had done, the miserable wretches went into the air with so little force that there was scarcely any rebound at all.

Lewis immediately began to struggle in a most sickening manner. He threw his legs about so violently as to kick off his slippers, then he began to gurgle and to choke; the rasping, wheezy sound coming from under the horrible cap, and for fully ten seconds his body turned and away and the sight was so painful that half a dozen men turned away their heads. The poor creatures were slowly strangled. Carolin's body was awaying violently also, but he uttered no sound.

The weight fell at 7:03 o'clock, and at 7:10 both men were dead. The four bodies hung for half an hour and were then cut down and placed in plain coffins.

## What on Earth

Is the reason people will not, cannot, or do not see any difference in cheapness trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist.
